CRIMINAL ORDER OF PROCEDURE

To eliminate unnecessary motions for discovery, to expedite the trial, and to eliminate delays in the presentation of evidence and examination of witnesses in this case,

IT IS ORDERED:

1. Conference. Within 10 days from the date of this Order, the United States Attorney or one of her Assistants and each defendant's attorney shall meet and confer, and upon request of defense counsel, the Government shall:

(a) Permit defendant's attorney to inspect and copy or photograph any relevant written or recorded statements or confessions made by the defendant, whether inculpatory or exculpatory, or copies thereof, including oral admissions or statements if they have been reduced to any form of writing, or are

known to the Government attorney, which are within the possession, custody or control of the Government or the existence of which is known or may become known to the Government attorney.

(b) Permit defendant's attorney to inspect and copy or photograph any relevant results or reports of physical or mental examinations, and of scientific tests or experiments made in connection with the case, or copies thereof, which are within the possession, custody or control of the Government or the existence of which is known, or may become known to the Government attorney, and which are material to the defendant's case.

(c) Permit defendant's attorney to inspect and copy or photograph any recorded testimony given by the defendant before a grand jury.

(d) Permit defendant's attorney to inspect and copy or photograph books, papers, documents, photographs, tangible objects, buildings or places, or copies or portions thereof, which are within the possession, custody or control of the Government or the existence of which is known, or may become known to the Government attorney, and which are material to the defendant's case.

(e) Make known to defendant's attorney the defendant's prior criminal records in the possession of the attorney for the Government.

(f) Make known to the defendant's attorney whether there have been any photographic identifications of defendant by any of

the witnesses.

(g) Permit defendant's attorney to inspect, copy or photograph any evidence favorable to the defendant within the meaning of Brady v. Maryland, 373 U.S. 83 (1963) and/or United States v. Agurs, 427 U.S. 97 (1976). A list of the documents and items of evidence so inspected shall be made and this list shall be signed by the attorneys and copies of the items so disclosed shall be initialed or otherwise marked.

2. Disclosure Declined. If it is the judgment of the United States Attorney that it would be detrimental to the interests of justice to make any disclosure set forth in Section 1 which is requested by defense counsel, disclosure may be declined and defense counsel shall be so advised. The declination shall be made or confirmed in writing.

If a defendant seeks to challenge the declination, the defendant may move the Court for relief in the following manner:

(a) The defendant shall file a motion for discovery or inspection no later than five business days from the time the Government declines.

(b) The motion shall set forth: 1) the statement that the prescribed conference was held, 2) the date of the conference, 3) the name of the Assistant United States Attorney with whom the conference was held, 4) the matters that were agreed upon, and 5) the matters that are in dispute and require determination by the

Court.

3. The time required to comply with the Order of Procedure is necessary for the Court and the parties to prepare the case for trial, the delay is necessary to affect a fair trial to the parties and the need to conduct a fair trial outweighs the right of the public and the parties to a speedy trial, therefore, the time to complete these procedures is excludable time under Title 18 U.S.C. Section 3161, *et seq.*

4. Continuing Duty. Any duty of disclosure and discovery set forth herein is a continuing duty.

5. Discovery by the Government. This Order is not intended to preclude discovery by the Government pursuant to Rules 16(b) or 26.2 of the Federal Rules of Criminal Procedure.

6. Motion Cut-Off Date. All pretrial motions must be filed within 30 days of the date of this Order.

7. Hearing Date. A hearing is hereby SET ON MONDAY, JULY 8, 2002 AT 3:00 P.M. The defendant and counsel shall be present at the hearing. Any motion described in Section 2, along with all other pending motions, shall be heard at that time.

8. Pre-Marking and Listing of Exhibits.

(a) Each party intending to offer exhibits shall mark the exhibits prior to commencement of the trial. Exhibit labels may be obtained from the Courtroom Deputy, Clerk of Courts in advance of trial. Each party shall thereafter prepare a typed list of the proposed exhibits ON THE ATTACHED FORM and submit four copies of this list to the Court prior to **three** (3) business days before the date of trial. This list shall state the proposed exhibit number and a neutral description of the exhibit.

(b) When defense counsel has inspected an exhibit which the Government and the defense intends to introduce into evidence, the identification and authenticity of the exhibit shall be deemed admitted unless counsel files with the Court prior to **two** (2) business days before the date of trial a notice that the identity and/or authenticity of the exhibit will be contested.

(c) This Order shall not affect the right of a party to object at trial to the introduction of the exhibit other than on the basis of identification or authenticity.

9. Scientific Analysis. When the Government or defense has disclosed the scientific analysis of a proposed exhibit to opposing counsel, and that analysis has been made by an expert in the field of science involved, the results of the scientific analysis of the exhibit and the opinion of the scientist will be deemed admitted unless opposing counsel files with the Court prior to 10 business days before the date of trial a notice that the scientific analysis

of the exhibit will be contested. This notice shall state whether the expert is desired as a witness.

10. Refreshing Memory. Whenever counsel for a party provides a witness with a document to refresh the memory of the witness for the purpose of testifying at trial, the opposing counsel shall be permitted defense counsel to inspect and copy the document, provided that such copy shall not be further duplicated. The document shall remain in the possession of counsel and shall be used only for the purpose of representing the parties in this case.

11. Jury Instructions. If this case proceeds to trial, the parties shall submit to the Court **two** (2) copies of proposed jury instructions **prior to five** (5) business days before the date of trial. The Government shall submit a charge which contains a quotation of the relevant portions of the statute(s) involved and the elements necessary to be proved beyond a reasonable doubt.

12. Trial Date. **This case is hereby SET FOR TRIAL ON WEDNESDAY, JULY 10, 2002 AT 9:00 A.M.**

13. Defendant Attendance. The United States Marshal is hereby **DIRECTED** to have any defendant in its custody present at the hearing set in Section 6 and at trial set in Section 10. Defense counsel are hereby **DIRECTED** to have the defendant present at all settings.

14. The Attorney for the United States shall monitor these

proceedings. He or she shall prepare a time line showing the non-excludable and excludable time under 18 U.S.C. Section 3161. The time line shall be filed with the Court. The time line shall be updated as necessary but at least every thirty (30) days and filed with the Court. The Attorney for the United States shall **FORTHWITH** inform the Court of the date trial should begin in this case pursuant to 18 U.S.C. Section 3161 and of any need to change that date to an earlier time. Requests for any continuance of the trial date by a party shall be by motion. The party filing the motion shall explain in the motion the necessity of the continuance and demonstrate that the time added by the continuance to the length of the proceedings is not only necessary but excludable under 18 U.S.C. Section 3161(h)(1)-(9).

IT IS SO ORDERED.
